

Republic of Ireland

MULTIPLE WOODLAND SITES

REASON FOR PLANTING

PROJECT HIGHLIGHTS:

- Saturday, February 10, 2018 planting date
- 2nd year Enterprise has planted trees in Ireland
- 50,000 trees funded by Enterprise

Working with the group Trees on the Land, Enterprise will help establish tree cover and woodland in both rural and urban areas. These newly planted forests will grow and provide valuable resources, ecosystem services, and a lasting legacy for future generations.
