Enterprise Car Sales is a service of the Enterprise Rent-A-Car brand, which is owned by Enterprise Holdings, the largest car rental company in the world.

A pioneer in the concept of the haggle-free car-buying experience, Enterprise Car Sales features more than 250 makes and models of high-quality, late-model used cars, trucks, vans and SUVs – most of which have been selected from Enterprise Holdings' U.S. fleet of more than 1 million vehicles.

All rental vehicles follow a regular maintenance schedule that is determined by the manufacturer's recommended requirements. Vehicles in the rental fleet also receive regular trunk-to-trunk visual inspections for safety items, such as tires and warning lights, as well as change in vehicle condition.

Each Enterprise Car Sales vehicle must pass a rigorous inspection performed by an ASE-certified technician and comes with a seven-day/1,000-mile buyback policy, a 12-month/12,000-mile limited powertrain warranty and 12 months of unlimited mileage roadside assistance. A free CARFAX® Vehicle History Report™ also is available for all vehicles.

Enterprise Car Sales offers financing through a number of leading third-party financing institutions, as well as the brand's private label financing program through Chase, Enterprise Auto Finance™.

Enterprise Car Sales also offers a commercial accounts program, which specializes in assisting businesses making multiple vehicle purchases.
