Enterprise Fleet Management operates a network of more than 50 fully staffed offices and manages a fleet of more than 630,000 vehicles in the U.S. and Canada. Founded in 1957 with a fleet of seven cars, the business provides full-service management for companies, government agencies and other organizations that operate medium-sized fleets of 20 or more vehicles, as well as for those seeking an alternative to employee reimbursement programs. Enterprise Fleet Management supplies most makes and models of cars, light- and medium-duty trucks and service vehicles across North America.

**RECOGNITIONS**

Multi-year recipient of Stevie® Awards for excellence in marketing, sales, customer service, innovation and environmental responsibility

Enterprise’s National Service Department, one of the nation’s largest maintenance approval facilities, employs more than 100 Automotive Service Excellence (ASE)-certified technicians. The Department was the first to be awarded the ASE “Blue Seal of Excellence,” a recognition it has received for an industry record 24 consecutive years.

**CORPORATE RESPONSIBILITY**

Enterprise Fleet Management takes a sustainable approach to business, while partnering with companies, agencies and organizations to help them meet their own supply-chain and corporate responsibility goals. For more information, visit www.enterpriseholdings.com/efm-cr.
