Jack Taylor Founding Values Award

In 2003, as part of Enterprise Holdings’ strategy for long-term growth, the company launched the Jack Taylor Founding Values Award. The annual award recognizes regional subsidiaries that remain committed to six business priorities that make up what is known as the Cultural Compass. On behalf of each regional team that wins the Founding Values Award, the Enterprise Holdings Foundation provides $40,000 in grants to benefit area nonprofits. For more information, visit enterpriseholdings.com/csr.

The Enterprise Holdings Foundation is the philanthropic arm of Enterprise Holdings Inc. Started in 1982 by the company’s founder Jack Taylor, the Foundation was established to allow the company to give back to the communities where its partners and employees live and work.
