Fall/Winter

2021 planting timeline

10,000

trees funded by Enterprise
this year

5th year

planting in Ireland

Over 100,000

trees planted in Ireland
through our partnership

PROJECT PROFILE: 2021

Republic of Ireland and Northern Ireland

REASON FOR PLANTING

Working with the group Trees on the Land, we are helping to establish tree cover and woodlands in both rural and urban areas of the Republic of Ireland and Northern Ireland. These newly planted forests will grow and provide valuable resources, ecosystem services, and a lasting legacy for future generations.
