

PROJECT HIGHLIGHTS

**February–
March**

2020 planting timeline

10,000

trees funded by Enterprise

4th year

Enterprise has planted trees in Ireland

Multiple

planting sites engaged

PROJECT PROFILE: 2020

Republic of Ireland and Northern Ireland

REASON FOR PLANTING

Working with the group Trees on the Land, Enterprise will help establish tree cover and woodland in both rural and urban areas. These newly planted forests will grow and provide valuable resources, ecosystem services, and a lasting legacy for future generations.

Planting throughout the country to enrich the Irish landscape

Establishing useful and beneficial resources for landowners

Providing sustainable and valuable ecosystem services for both current and future generations

REPUBLIC OF IRELAND AND NORTHERN IRELAND
