

PROJECT HIGHLIGHTS

Fall 2021

into early spring of 2022
planting timeline

145,000

trees funded by Enterprise this year

15th year

planting in the state of California

Nearly 3 million

trees planted in California
through our partnership

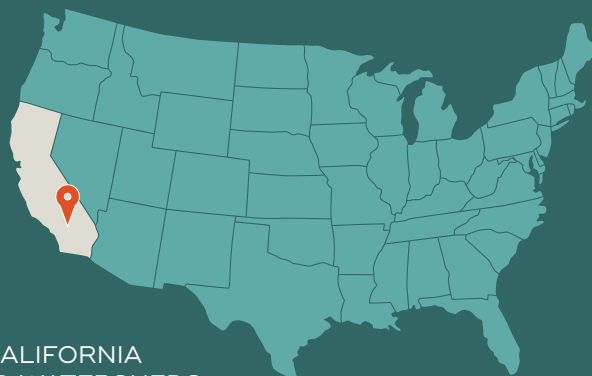

PROJECT PROFILE: 2021

Southern California Forests and Watersheds

REASON FOR PLANTING

Over the past several years California forestlands have been devastated by catastrophic wildfires. In partnership with the National Fish and Wildlife Foundation we are working to recover the lands and watersheds degraded from multiple wildfires which took place between 2002 to 2013.
